

# Summer Meals Program

Summer 2017

Tarrant City Board of Education would like to share information concerning Summer Meals Program. The Summer Meals Program is a summer feeding program established to ensure that children continue to receive nutritious meals when school is not in session. Through this program, free, nutritious meals are provided to all children during the summer months.

Although Tarrant will not be hosting a site for the summer of 2017, your child(ren) may attend a Summer Meals Program outside our city.

Below is a link to find a summer feeding site closest to your home. You may also access this link through the Tarrant website at [www.tarrant.k12.al.us](http://www.tarrant.k12.al.us). Go to documents, summer feeding, summer feeding link
